
Town of Loxahatchee Groves Community Workshop

June 27, 2009

Who are we?

- We are an independent consulting firm hired to create a code for your town

Why are we meeting today?

- To find out what is important to you and the character of your town, so the code reflects your values

Workshop Format...

YOU SPEAK & WE LISTEN

- **Part I:**
 - **Discussion and voting on 6 specific topics**
- **Take a 10 minute break**
- **Part II:**
 - **Discussion and exercise on other topics of interest to you**
- **Wrap-up & brief survey**

Code Topics

- Wholesale nurseries
- Retail nurseries
- Manure dumping and mulching
- Large scale events
- Outdoor animal housing
- Business operation
- Other topics *(this will be after the break)*

Basic Rules

- Turn off cell phones
- Be brief, speak clearly
- Be courteous and respectful, even when you don't agree
- There are no dumb questions and there are no bad ideas
- There is no ownership of ideas – if you think its important for the discussion, say or write it
- Focus on the future, not what has transpired in the past
- Have fun!
